

# California Otters

I know a place where the otters are endangered

Fierce wet and wild

There must be something in the water

Eatin' octopus

Layin' in the kelp bed

Otters gettin' stuck in the abandoned fishing nets

You can travel the sea-ee

But nothing comes close to the Monterey coast

Once you see them dying you'll be crying your eyes out

Oh, oh-oh oh-oh-oh

California Otters they're incredible

Fluffy coats, pups restin' on top

Playful, funny, cute and endangered

Oh, oh-oh-oh-oh

Oh, oh-oh-oh-oh-oh-oh

California Otters they're undeniable

Fine, fresh, fierce

We got it on dock

West Coast represent

Now put your paws up

Oh, oh-oh-oh-oh-oh

oh, oh-oh-oh-oh

Dead, on the beach

We really mind oil in our fur

One leak and we're extinct

So you better change your habits

You can travel the sea-ee

But nothing comes close to the Monterey coast

Once you see them dying you'll be crying your eyes out

Oh, oh-oh oh-oh-oh

California Otters they're incredible

Fluffy coats, pups restin' on top

Playful, funny, cute and endangered

Oh, oh-oh-oh-oh

Oh, oh-oh-oh-oh-oh

California Otters they're undeniable

Fine, fresh, fierce

We got it on dock

West Coast represent

now put your paws up

Oh, oh-oh-oh-oh-oh

oh, oh-oh-oh-oh

RAP:

Tone, tan, fit and ready

Turn it up because they're not getting' heavy

Wild, wild, West Coast, these are the otters I like the most

I mean like they're the ones, save 'em, don't kill 'em, don't shoot them with  
guns

I mean getting run over by a jeep on the middle of the beach  
Home boys hanging out, all that fur falling out

Chours:

California Otters they're incredible  
Fluffy coats, pups restin' on top  
Playful, funny, cute and endangered

Oh, oh-oh-oh-oh

Oh, oh-oh-oh-oh-oh-oh

California Otters they're undeniable

Fine, fresh, fierce

We got it on dock

West Coast represent

Now put your paws up

Oh, oh-oh-oh-oh-oh

oh, oh-oh-oh-oh
